

SENATE LIBRARY SUBCOMMITTEE

March 24, 1997

Minutes

Present: A. Sandstrom (chair), C. Kracher, J. Brian, L. Hite,
D. Oberstar, C. Scott, J. Vollmer, J. Violette (ex-
officio)

Guest: R. Manalis

Absent: S. Faseyitan

A. Sandstrom called the meeting to order at 3:05 pm.

The minutes from the March 4 meeting were approved as distributed.

The Subcommittee continued its review of the Collection Development Policy completing pages IX:12 through X:6. The Subcommittee directed Ms. Violette to determine whether the Library could become a depository for foreign national materials and what costs would be associated with the service. The members noted that the collection policy should not preclude the Library's possible designation as a depository for foreign national materials just because the collection is available in Bloomington.

The Subcommittee directed Ms. Violette to define "deselection" in sections where it is used.

The Subcommittee directed Ms. Violette to request that S. Hollander edit the policy for consistency, grammar, readability, etc. before the Subcommittee considers it again as a whole.

The meeting adjourned at 5:10 pm. The next meeting will be April 7 from 3:00 to 5:00 in CM 160.

Note: S. Hollander prefers to see the whole document without our correction marks. I am including the line-out version of the work you have done thus far with the minutes and will forward the full edited version on to Steve after the meeting. J. Violette
